- My Portfolio

Education

Bachelor in Technology
Narula Institute of Technology, Kolkata
2023 - Present (**3rd Year**)
Computer Science Engineering (Artificial Intelligence and Machine Learning)
Overall GPA = 9.0/10

Higher Secondary (12th)
Sodepur High School, Kolkata
Passed - 2023, Percentage - 80.8 (WBCHSE)

Secondary (10th)
Sodepur High School, Kolkata
Passed - 2021, Percentage - 88.9 (WBBSE)

Skills and Abilities

Programming Languages

C, C++, Java, Python

Front End

1. CSS3
- Vanilla CSS, Bootstrap, TailwindCSS

2. JavaScript/TypeScript
- Advanced Core Vanilla JavaScript
- AJAX, Async/Await, Promises
- MVC Architecture, REST APIs

3. React JS
- State management (Hooks/Context API), Redux, AceternityUI, ShadcnUI, MagicUI and REST API integration, Axios, React Query, Lazy loading, Lenis

4. Next JS
- SSR, SSG, ISR, Hybrid Rendering, Zod
- Fetch API, Streaming and Suspense, Caching
- Server actions, SEO optimization, Cloudinary

Backend

1. Node and Express JS
- RESTful API, Routing, Middleware
- Asynchronous operations, integration with MongoDB using Mongoose
- React Query, Socket.io

2. PHP
- Server-side development, Database Operations using MYSQL (phpmyadmin and mysqli)
- Form processing, hashing, authentication

Databases

- MySQL, MongoDB, PostgreSQL

Projects

- **Poll Now** - A PHP-based polling system featuring unlimited option creation and real-time result tracking for dynamic user engagement.
- **Library Dashboard** - Library management system made with MERN, Socket.io and React Query
- **Country Explorer** - JAMstack project using AJAX, Dynamic Rendering and REST API

GUI and UI/UX

- Figma, Electron JS

Version Control and Tools

- Git & GitHub, PostHog, CodeRabbit, Dialogflow

Machine Learning

- Regression, Decision Trees, SVM, Ensemble Learning, Clustering
- Data Pre-processing, Feature Engineering, Model Selection, Hyper-parameter Tuning

DSA/CP

- Top 6% globally in Leetcode, 3* in Codechef, Codeforces Pupil

Certificates

- The Complete JavaScript Course 2024: From Zero to Expert - Jonas Schmedtmann (Udemy)

Achievements

- Department Topper of NiT CSE AIML 2023-'27
- Code IT (NiT) 1st Position (CP Event)
- Codethesis (GNIT) 1st Position (Dev, CP Event)
- Techstorm (BPPIMT) 1st Position (CP Event)

Experience

- Google Arcade Legend
- Hacktoberfest 2024

Hobbies

- Cricket, Drawing/Sketching
